Privacy policy

Updated 6 November 2026

Data controller

Haylicon Records · hayliconrecords@gmail.com

Data we process

Audience measurement: we use Umami, a cookieless tool that produces anonymous visit statistics. It cannot identify you.

Newsletter: your email address, collected with your consent on Beehiiv, is only used to send you the newsletter, until you unsubscribe (link in every email).

Emails: your details are only used to reply to you and are kept for 3 years at most.

Spotify, YouTube and Mixcloud players: they only load when you press play. These services may then set their own cookies.

Your rights

Access, correction, deletion, objection: hayliconrecords@gmail.com. You may also complain to the CNIL, the French data protection authority (cnil.fr).
